SUBJECT: Official Wheelchair Basketball Rules Interpretation 2024 - Ver#1.

Dear President, Dear Secretary General,

The IWBF Technical Commission members and I are pleased to send out the *Official Wheelchair Basketball Rules Interpretation 2024* (OWBRI) valid from the 1st October 2024.

I would like to underline that we updated the book with our current Official Wheelchair Basketball Rules 2023 (OWBR v.2 valid as of 6th March 2023) and in line with the FIBA Official Basketball Rules (vs.4.1 valid as of 25th July 2024). It has been a huge job done by all the Technical Commission members together as you can see through the modifications underlined in azul.

In the meantime, I inform you that we are finalizing our 2024 OWBR to be in line with the latest FIBA version that would not have a direct impact to the released OWBRI.

I took the opportunity to thank my Commission and to wish you (us) a wonderful successful basketball year after!!!

Yours sincerely,

Cristian Roja
